Winston Ruddle's **CIRQUE AFRICA**

For the first time touring Australia in a big top circus tent, the world-renowned **Cirque Africa** created by world renowned circus producer and director Mr Winston Ruddle a.k.a *Papa Africa*, will dazzle and mesmerize audiences with wild modern African music, dance and acrobatic circus acts in a 90 minutes showcase.

Audiences are encouraged, prodded and charmed to actively respond rather than to simply watch a breath-taking spectacle.

The heartbeat of Africa pulsates throughout the jaw dropping show as the artiste articulate their passion and love celebrating a union of traditional and modern African arts and culture from their homelands including Ethiopia, Tanzania, Kenya, Zimbabwe, South Africa and Ghana.

Cirque Africa is made up of 70 tons of circus equipments, professional sound lighting and stage equipment, elevated seating with a capacity of hosting up to 1200 people, a 12 meter high 34 meter diameter Canobio made big top tent with 11m diameter performance stage, 2 foyer tents and a back stage tent measuring 8m by 35 meters keeping warm more than 38 world class artists.

As **Cirque Africa** is a unique form of entertainment that is geared towards family members of all ages, this is primarily a visual show, and accordingly, language and cultural barriers will not pose a problem in terms of audience comfortability.
